Welcome

Confeta is the leading Australian manufacturer of professional quality bakery packaging. We are a family business based in Sydney with branch operations in Victoria and Queensland.

We have the largest range of sizes, styles and colours to suit almost every application imaginable!

All products can be customised and our in-house engineers and printers welcome the opportunity to work with you on these projects. We pride ourselves on the quality of our products all of which are one hundred percent Australian made using environmentally sustainable, food-safe certified raw materials.

Welcome to Confeta
We look forward to being of service!

Patty Pans

Confeta is internationally known for our baking cups which we also call 'patty pans' in Australia.

All products are proudly Australian made using the finest quality certified greaseproof papers and food-safe printing inks.

We have a baking cup size to suit all standard metal panware used by the trade. Innovation is the key to bakery success and subject to our standard manufacturing minimums we can custom-make any size and print to your specific requirements.

Our baking cups have been the choice of Australian bakers, cake decorators and confectioners for the last 70 years.

General Specifications

The following specifications apply generally to all sizes, colours and prints.

Pan Liners

Pan Liners are used by commercial bakers for large scale production. The liners are easily denested by hand and mechanically for rapid positioning and filling of bulk baking trays and Autobake lines.

Made with the highest quality Nordic greaseproof paper these liners offer significant marketing benefits when custom printed with your brand or logo.

Available in white and chocolate brown. Colours and prints available subject to our manufacturing minimums.

Release Papers

and more

Nordic Silicone Baking Paper is used by professional bakers and cake decorators worldwide.

Known for its heat resistance, premium release qualities and multi-bake properties. Nordic Silicone is made using 100% natural greaseproof paper sourced from environmentally managed sources.

Now introducing, Golden Silidor the **'All Natural'** unbleached baking paper. Made exactly the same as the white but now 100% fully recyclable.

General Specifications

The following specifications apply generally to all sizes, colours and prints.

- Bake up to 220°C
- Approved aqueous and soy printing inks
- Non-toxic food dyes
- Requires panware for support
- All Suppliers 3rd Party Certified
- Virgin Pulp (100%)
- Recycled Content (0%)
- Natural Greaseproof (100%)
- Wet Strength & Slip Easy
- FSC Certified Sources
- FDA Certified Food-Use

Further information is available upon request.

Custom printing

Printed greaseproof liners are an attractive way to promote your product and brandname. Bold colours and simplified logo-types look and print best.
