NEW PRODUCT!!!

Temptag is a new and innovative idea that makes sure you never burn your milk again while making espresso coffee. It is a sticker that you place on your milk jug which changes colour when the milk has reached its desired temperature while frothing. Available in Full Cream, Skim and Soy - \$9.90 a sheet of 4, use 2 stickers per jug. Each sticker lasts 3 – 6 months and are more accurate and easier to use than the traditional thermometer.

A small price to pay to ensure your customers keep coming back!

Please Note All Prices Include GST Where Applicable
